**\* Advanced Notice Requirements:**

Florida:

Official certificate must be faxed in advance of shipment to (352) 955-2301

Georgia:

The Georgia Department of Agriculture requires advanced notice of the following information:

California nursery name (shipper)

Address, City, California County

Georgia nursery name and City (receiver)

Plant material

Quantity shipped

This information must be sent to [Plantindustry@agr.state.ga.us](mailto:Plantindustry@agr.state.ga.us)

Montana

Fax copy of certificate for each shipment to:

Attn: Kimberly Merenz

Nursery and Quarantine Specialist

(406) 444-7336 Fax

[kmerenz@state.mt.us](mailto:kmerenz@state.mt.us)

Washington

The Washington Department of Agriculture requires advanced notification of shipments of regulated articles by transmitting a copy of the certificate to: Nursery Inspection Program Supervisor, Plant Protection Division, Washington State Department of Agriculture, 1111 Washington St. SE, P.O. Box 42560, Olympia, WA 98504 2560; FAX (360) 902-2094; email: [nursery@agr.wa.gov](mailto:nursery@agr.wa.gov).

West Virginia

Prior to shipping, notify the Director of all shipments of regulated plants. Include the supplier, numbers, species and varieties of plants, estimated date of arrival, and destination business address.

West Virginia Department of Agriculture

Plant Industries Division

Attn: Charles C. Coffman, Director

1900 Kanawha Blvd, East

Charleston, WV 25305-0191

Phone: (304) 558-3550

Fax: 304-558-2435

**\*\* CDFA Policy on Interstate Nursery Stock Shipments** It is the policy of the CDFA to inspect, sample, and test only the species or genera of nursery stock covered under 7 CFR 301.92 or the USDA's Amended Order Restricting Movement of Nursery Stock from California.
